

COMPANY ENVIRONMENTAL POLICY

S H Goss & Co Ltd is committed to an environmentally sound system of working in accordance with ISO 14001. SH Goss specialises in the control of weeds and other vegetation by the application of appropriate equipment and the use of Government approved pesticides, in accordance with the UK Pesticide Guide and product label recommendations. Products are applied only by competent personnel, who are examined at National level, in the safe use and application of herbicides, in compliance with the Food and Environment Protection Act 1985, Control of Pesticides Regulations 1996 and registration under the British Agrochemical Inspection Scheme.

SH Goss will comply with the requirements of its Environmental Management System and continually improve upon its effectiveness.

SH Goss has established its environmental objectives by taking into consideration the aspects of its activities, products and services that may have an environmental impact. These objectives include:

- Minimise pollution by using chemicals and machines responsibly
- Enhance the environment by removing and disposing responsibly of harmful weeds
- Improve our environmental performance both in the office and on site
- Meet or exceed all the environmental legislation that relates to the Company

This Policy and these objectives have been communicated and are understood throughout the Company and will be reviewed annually for continuing suitability in meeting the requirements of the ISO 14001: 2004 International Standard for Environmental Management Systems. This policy is available to the public on the SH Goss website.

As the management representative to the certification body, the Environmental Co-ordinator is responsible for ensuring that the requirements of the Environmental Management System are adhered to throughout the Company by all employees. Management will ensure that there are adequate resources to enable these requirements to be adhered to.

Mr Robert Goss

Director
